Case No.

REQUEST FOR APPROVAL OF LOCAL RULE
RE-ADOPTING CURRENT CASELOAD
ALLOCATION RULE

The judges of the courts of record of Marshall County have met and reviewed the 2007 weighted caseload statistics of the courts of record, which review reveals that the difference in utilization between the courts of record did exceed .40 based on the 2007 Weighted Caseload Report.

However, the case filing procedures allocating cases among the three courts in Marshall County were revised by local rule adopted by the Indiana Supreme Court on December 14, 2007. This new local rule is expected to alleviate the disparity in utilization numbers between the various courts during 2008.

Accordingly, the judges of the courts of record have decided to re-adopt their most current local rule pertaining to caseload allocation as required by Administrative Rule 1, which local rule had previously been published for public comment as required by Trial Rule 81 and which has been approved by the Supreme Court, and request the Supreme Court to approve the re-adoption of the local caseload allocation rule.

Submitted this 21 day of May, 2008.
